 - Our Chapter 235 Teacher of the Year selections are Lori Moore-Barker from Green Acres Elementary and Laureen Radle from Weber High School.
 - They have been submitted to National, and I'm double-checking with Jim on our payment to National for the second Chapter awardee.
 - FYI, two of our other applicants were selected by Chapter 236 to be their Chapter winners, and one of them has ended up with the highest score from the AEF Board as the likely State TOY.
 - Open Action for our Chapter: Decide when to honor our Chapter Teachers with the check and "bling" presentation. Options:
 - I.D. a Chapter or state-level AFA event to honor them at?
 - Work with their schools to present at a back-to-school forum /virtual or in-person or published)?
 - Do both?

Scotty Nowlin is awaiting feedback/questions/actions from the chapter members.
