-----**Scowcroft Postponement Information**-----

Members:

Thank you for understanding the decision to Postpone the Scowcroft banquet. I've provided more information that will hopefully clear up any questions or concerns. Please read below.

1. Due to current COVID-19 concerns and travel bans for potential attendees, the Brent Scowcroft Awards Banquet, scheduled for 18 Mar 2020 has been tentatively **rescheduled** for 19 Aug 2020
2. The new date overlaps with the ICBM Planning Conference and Overarching Steering Group meetings tentatively scheduled by the ICBM Systems Directorate at Hill AFB. Given the circumstances, we feel this new date will accommodate AF and Industry participants.
3. To minimize confusion and rework, we are requesting all registrants to allow us to retain registration payments already received, in support of the new date. Registrants are asked to contact Dan Gomez (801.808.2984, dan.gomez@baesystems.com) if this change creates a problem and a refund is required.

Thank you for your understanding!
